

SKILLS/COMPÉTENCES CANADA NATIONAL ALUMNI COMMITTEE

WHAT IS IT?

The National Alumni Committee (NAC) is comprised of Skills Canada alumni from each province and territory. NAC was formed to create, support, and provide guidance to the Skills Alumni Associations across Canada.

WHY IS IT HAPPENING?

NAC will ensure that the best interests of their member associations are met and that each of their voices are heard. The Skills Alumni Associations will benefit their members through industry connections, exposure, as well as alumni specific volunteering and networking opportunities.
