

ESSENTIAL SKILLS STAGE

TUESDAY, MAY 28

8:30 – 9:15 Official Launch

Think Outside the Chair

Check out the official launch where UA and special guests will go head-to-head in a camping expedition. Who will build the chair the fastest?

Cheer on your team and find out if they pass the 20 second sit test!

10:00 – 10:30 Celebrity Chef Andy Hay

Fun with Cooking

Learn tips of the trade and secrets of the kitchen.

What cooking wonders does Andy Hay have in store for you?

10:45 – 11:15

HGTV's Kate Campbell & Sebastian Clovis

Learning to Learn

Sebastian and Kate will be engaging the crowd in simple, fun, interactive games that demonstrate the need for Continuous Learning in all areas of your life.

They will also reference their own personal experiences in the trades, helping to promote the fact that Continuous Learning is an ongoing process and has helped them become who they are today.

11:30 – 12:00 UA Canada

What do you know?

Ready to test your #TradesTrivia knowledge?

Go head-to-head with friends on the Essential Skills stage and see if you have what it takes to win!

12:15 – 12:45 EECD in partnership with COVE

Anchors Aweigh

Working in teams, groups will compete against each other to complete a 3D model of an Arctic and Offshore Patrol OPS Ship.

Using authentic blueprints, students and teachers must follow the instructions to be able to fully construct the ship and be the first team to launch.

1:00 – 1:30 RV Careers

Think Fast!

How would you complete a task when faced with 3 situations: with a complete tool box, a partial tool box and just one tool? The challengers will bring their calm and demonstrate real life problem solving and critical thinking skills.

1:45 – 2:15 Nova Scotia Community College

Produce Production

Bringing your product to market. Student teams will create billboard posters and deliver a sales pitch to judges on why their product should be purchased.

2:30 – 3:30 Gene Haas Foundation Presentation

WEDNESDAY, MAY 29

10:00 – 10:30 UA Canada

Go head-to-head with friends on the Essential Skills stage and see if you have what it takes to win!

10:45 – 11:15 JD Irving

Crane it up!

Step into a new reality and see how the Irving Equipment team brings cranes to life!

11:30 – 12:00 Celebrity Chef Andy Hay

Fun with Cooking

Learn tips of the trade and secrets of the kitchen.

What cooking wonders does Andy Hay have in store for you?

12:15 – 12:45

Nova Scotia Construction Sector Council

Solve my Food Problem

"When you change the way you look at things, the things you look at change." Join Hope Blooms and Build Right Nova Scotia for a fun and interactive food challenge that lets you use your problem-solving and communication skills for some tasty results.

1:00 – 1:30 McCordick

Do you recall?

Watch a demonstration on how to put on safety equipment, paying close attention to specs and details about each item. After the demonstration, students will have the opportunity to race each other in putting the same items on and answering some key questions to win!

2:30 – 3:30 Video Production

See my Story!

Come and see the final video projects and judging. Hosted by the Video Production National Technical Committee.

3:30 – 4:30 2D/3D Character Computer Animation

Animate your senses!

See the final works of the competitors in animation. Hosted by the 2D/3D National Technical Committee.
