Join us in promoting awareness-raising activities focused on career opportunities in skilled trades and technology occupations for Canada's youth!

The Official Launch will set the tone for the day at BCIT, Burnaby Campus starting with a Networking Breakfast with celebrities/ministers in attendance (Invited).

Approximately 300 students will participate in many Try-A-Trade® and Technology activities being hosted by BCIT and Skills Canada partners. They will have the opportunity to learn about one of the nine Essential Skills – Document Use – needed for success in their career choices.
