

SPOTLIGHT ON Document Use

Document Use involves a variety of information displays in which Words (less than a paragraph), numbers, icons, and other visual characteristics (eg. line, colour, shape) are given meaning by their spatial arrangement. We use this skill when we read and interpret graphs, charts, lists, tables, blueprints, schematics, drawings, signs, and labels.

NATIONAL SKILLED TRADES AND TECHNOLOGY WEEK

Passport

HIGHLIGHTING DOCUMENT USE

NAME: _____

SCHOOL: _____

TEACHER: _____

GRADE: _____
