

Attention Future Tradeswomen

Come to the

Young Women in Construction Conference

at the 26th Skills Canada National Competition

**Vancouver Convention Centre, Level 3
Thursday, May 28 at 9:00 a.m. to 12:00 p.m.**

Meet the Tradeswomen of British Columbia at this interactive conference for young women.

UA Canada invites you to join us! We will introduce you to the many Apprentices and Journeywomen of the Building Trades in British Columbia! Engage in one-on-one discussions with tradeswomen, ask questions and see for yourself just how amazing a career in the skilled trades can be!

Attendees will receive a UA Canada backpack filled with information about the trades, cool stuff and a UA Canada Young Women in Construction Passbook. Visit as many tables as you can during the networking session, get your passbook stamped and be entered to win an iPad (must be present to win)!

Special guests, HGTV industry celebrities Kate Campbell (Decked Out, Disaster Decks, Home to Win) and Sebastian Clovis (Save My Reno, Home to Win, and DIY expert on the Marilyn Denis Show), will be participating in this special event.

An opportunity not to be missed!
