

Skills Canada National Competition 2021

June 3 and 4, 2021

ExpoCité, Québec City, QC

What is it?

The Skills Canada National Competition (SCNC) is the only national, multi-trade and technology competition for students and apprentices in the country. During SCNC Canada's best in skilled trades and technologies compete to become the national champion in their respective discipline.

Why is it happening?

- Provide competitors and student visitors with hands-on experience.
- Get Canada's youth to consider skilled trade and technology careers as a viable, rewarding option.
- Engage with industry leaders, educators and political decision makers.
- Ensure that Canada remains at the forefront of competitive advantage in the global economy.
- Promote awareness of the nine Essential Skills through Try-A-Trade® and Technology activities hosted by educators and industry experts.
- Highlight innovation and the importance of digital literacy and technology driven skills that are crucial to keep pace with the quickly changing job market.
- Encourage under-represented groups including women and indigenous to get involved in the skilled trades and technology industries.
- Highlight Red Seal Program and apprenticeship trades

Highlights

- Free event, open to the public.
- Over 40 competitions representing six sectors: Construction; Employment; Information Technology; Manufacturing and Engineering; Transportation and Service.
- Over 550 secondary and post-secondary competitors from across Canada.
