

**LEVEL UP!  
AU NIVEAU!**

  
**SkillsCompétences  
Canada**

**Skills/Compétences Canada (SCC) invites you to participate in our virtual event, “Level Up! With Skills Canada” on February 25, 2021.**

At this event, your company will have the opportunity to engage virtually with students and apprentices from across Canada in a fun and interactive way.

The event platform allows you to:

- Upload engaging videos and demonstrations about your trade or technology
- Promote your company brand
- Participate in a virtual scavenger hunt where visitors will be encouraged to watch your videos and answer a question that you submit to us on your trade/technology or brand
  - Network virtually with like-minded industry partners
- Meet the SCC Board of Directors for a Q&A Session
- Participate in or attend virtually in the Essential Skills panel discussions related to the importance of skilled trades and technologies in Canada and what the future may bring for essential workers

We will work with you to ensure your virtual space is fully prepared for student visitors and attendees. Participants are encouraged to spend the day in their virtual space to interact with attendees through video and text.

**Event Name: “Level Up!” with Skills Canada**

**Date: February 25, 2021**

**Time: 8:30 a.m. EST to 4:30 p.m. EST**
