## ***National Skilled Trade and Technology Week – A Virtual Career Exploration – Getting Started***

### Exhibit Hall

- Engage with over 30 national industry and education partners through text chat
- Find answers to the Trivia Challenge in select partner booths
- Check out the videos, documents and links provided by our partners. Find something interesting? Add it to your swag bag.
- Visit the Skills for Success Stage to earn points while you watch informative videos on skilled trade and technology careers

### Prize Centre and Leaderboard

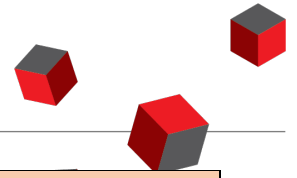

- Learn how to win great prizes
- Find information on how to gain rewards for completing checkpoints (many points to be earned)
- Click the “Trivia Challenge” tab in the navigation bar to begin the trivia challenge. Answering these trivia questions from our partners will earn you the most points
- Don’t forget to fill out the survey, (tab at the top) to earn final points for the day

Information on prizes and ways to earn points are listed below.
