

National Skilled Trade & Technology Week

Crushing Barriers to the Skilled Trades

**VIDEO
PRESENTATION
NOVEMBER 2
11:00 AM EDT
Q&A
11:40 AM EDT**

Join us for a panel discussion about the misconceptions, best practices and required preparation when pursuing a career in the trades. You will hear honest conversations regarding the barriers guests have faced while on the job, how they dealt with them, and how they continue to thrive in the industry. This panel will give audience members a real perspective of a diverse skilled trade worker.

Who should attend

Parents, students, teachers, employers and career seekers
