October 31 to November 6

SCA will be launching 30 Years Skilled – Celebrate & Elevate

This initiative will supply a variety of tool and equipment grants to eight high schools. During NSTTW they will open their application process for schools to apply.

There will be grants available in the following areas: Woods (carpentry, cabinet making, joinery); Automobile Technology; Hairstyling; Culinary Arts & Baking; Fashion Technology.

The nomination process for SCA's "Sturdy 30" opens

This is an initiative to recognize 30 outstanding teachers who have been supporters and advocates for SCA over the last 30 years.

Registration opens for SCA's Indigenous Community Try-A-Trade® Takeout

Ten indigenous schools can register for a package that will include six Try-A-Trade® takeout kits as well as various tools and materials for their schools.

Skills Canada Saskatchewan

1st Annual Most Informed Student/ School Contest

This is run in partnership with RBC and Chatterhigh. This is a Saskatchewan wide contest for middle and secondary level students.

In Class Challenge Kits / October and November

These will be distributed to middle and secondary level schools across the province. Educators can choose to complete the kits during NSTTW.
