

SKILLS/COMPÉTENCES CANADA (SCC) NATIONAL ALUMNI COMMITTEE

WHAT IS THE NATIONAL ALUMNI COMMITTEE?

The National Alumni Committee (NAC) is comprised of Skills Canada alumni from each province and territory. NAC was formed to create, support, and provide guidance to the Skills Alumni Associations across Canada.

WHAT IS THEIR ROLE?

NAC will ensure that the best interests of their member associations are met and that each of their voices are heard. The Skills Alumni Associations will benefit their members through industry connections, exposure, as well as alumni specific volunteering and networking opportunities.

HIGHLIGHTS

- Meeting for the first time in person since the pandemic, the NAC will work together to establish a consistent message and continue to be a conduit of information for all jurisdictions and alumni. They will also be discussing what they learned during the pandemic on how to engage youth in skilled trade and technology competitions in their respective provinces and territories.
- Skills Alumni Associations are sweeping the country. You can find them in your province or territory by following your local Skills Canada Organization on Twitter, Instagram and/or Facebook!
- Hear their success stories, see their events and learn about the vast opportunities that are available in the skilled trades and technologies!
