

Skills for Success Activities

May 27 Skills for Success Forum

Discussing the updated Skills for Success model and Apprenticeship Success

8:00 a.m. – 12:00 p.m. Level 1, Rooms 118-119-120

The Forum will bring together over 100 stakeholders with the purpose of encouraging them to understand the importance of educating young students on the Skills for Success and their prominence within the skilled trade and technology sectors.

Who should attend?

- Teachers/Educators
- Guidance/Career Counsellors
- Apprenticeship Stakeholders
- Parents/Youth Influencers
- Skilled Trade Employers and Labour Union Representatives

May 26 & 27 Skills for Success Stage

9:30 a.m. – 2:30 p.m. West Exhibition Hall A

Skills for Success (SFS) are the skills needed to participate and thrive in learning, work, and life. SFS are for everyone including employers, workers, training providers, governments, and communities. The SFS stage will showcase 20-to-30-minute fun and interactive demonstrations from Skills/Compétences Canada (SCC) partners and industry celebrities. Visitors may be invited to participate in these challenges which are aimed at highlighting the Skills for Success and this year's theme of *Creativity & Innovation* that help create a great future.

May 26 & 27 Skills for Success Talks

10:00 a.m. – 3:00 p.m. West Exhibition Hall A

SCC and Futureworx will co-host several panel discussions onsite during the Skills Canada National Competition (SCNC). A series of special guests, including SCC alumni, educators, literacy experts, industry partners and celebrities will discuss the importance of the Skills for Success and skilled trade and technology careers.
