

DEWALT AND STANLEY TOOL GRANT

Skills/Compétences Canada, Skills Canada BC, DEWALT and Stanley are pleased to provide junior and senior high schools in British Columbia with the opportunity to receive a collection of new DEWALT and Stanley tools. Recipients will receive a package of tools, used briefly by competitors at the 2022 Skills Canada National Competition, that includes items such as cordless power tools and hand tools.

Five schools will be awarded the DEWALT and Stanley Tool Grant and will receive a package of tools valued at approximately \$10,000 for use in their junior or senior trade and technology programs. Successful candidates will be notified by Monday, May 16.

To be eligible for this Tool Grant your school must:

- Complete the Tool Grant Application Form
- Be a junior or senior high school located in the province of British Columbia
- Have classes registered to attend the Skills Canada National Competition, being held at the Vancouver Convention Centre May 26 to 27, 2022
- Attend the Skills Canada National Competition

Section 2 – QUESTIONS

2.1 If awarded a DEWALT and Stanley Tool Grant, what trade or technology program will benefit from receiving this equipment? Explain how your students will benefit.

2.2 Has your school actively participated in or attended a Skills Canada or WorldSkills competition in the past (4) years?

Please list the programs/competitions your school has participated in.

Application Form - Continued

- 2.3 How many students would be impacted by the DEWALT and Stanley Tool Grant at your school.
- 2.4 Please attach any additional documents or information that may support this application (optional)

Successful candidates will be required to submit a written testimonial to Skills Canada, along with photos, to be used for media opportunities. This testimonial should describe how the tools are being used and what the benefit has been for your school. This is to be submitted to sharonc@skillscanada.com by **October 3, 2022**.

Tools must be picked up on Saturday, May 28 at the Vancouver Convention Centre (time to be confirmed). Tool pickup, along with any associated costs, is the responsibility of the tool grant recipient. Skills Canada will not ship tools to the grant recipient.
