

SECONDARY

Competitors are responsible for ensuring that health and safety requirements are in compliance with the legislation of their province.

Competitors must provide a detailed safety plan with a description of the demonstration, along with internet links to Safety Data Sheet (SDS) if applicable. Competitors must identify the skills being demonstrated and their connection to the specific contest area (see section 2.2).

For information on Safety Data Sheets, please see

https://www.ccohs.ca/oshanswers/chemicals/whmis_ghs/sds.html

May 15, 2022, via the google form <https://forms.gle/4AF7PUqbmQGf7s996>. Any questions can be sent to jobskillsdemo84@gmail.com. Competitors will not be allowed to compete unless they have submitted a Safety Plan by the selected date.
