Canada

Partner with us in Support of Canada's Future Skilled Trade and Technology Workforce!

Our mission – why we exist

To encourage and support a coordinated Pan-Canadian approach to promoting skilled careers in trades and technologies to youth and their communities.

Our vision – our future state

Canada leads the world in skill development.

Our values – how we conduct ourselves

Safety	Safety comes first
Excellence	Embrace the highest standards
Commitment	Passionately involved and dedicated to the cause, willing to go beyond what's expected
Accountability	Transparent and trustworthy
Fairness	Treat others as we wish to be treated
Integrity	Beyond reproach
Camaraderie	Enjoy and celebrate the best in each other
Diversity	Inclusive in everything we do

"UA Canada is proud to support this celebration of Canada's future workforce. As the only government and industry sponsored event of its kind, Skills/Compétences Canada provides a platform to showcase the hard-earned skills of our youth, increasing awareness and the interest of others to embark on a journey within these tremendously rewarding careers. Congratulations to all involved, especially to the competitors that have embraced the challenge. You are recognized by your peers, mentors, employers and industry. Enjoy this moment and may your commitment to excellence bring infinite possibilities!"

Mike Gordon,
Director of Canadian Training,
UA Canada

"Lincoln Electric is dedicated to advancing the welding trade through investing in the support of education. Among the ways we educate about the art and science of welding is through interaction with the next generation of skilled welders and welding instructors. Lincoln Electric is a proud sponsor of the Skills Canada National Competition, an event dedicated to providing students with resources, networking opportunities, educational sessions, and the ability to showcase their trade skills."

Dale Malcolm,
VP Sales & Marketing,
Lincoln Electric Company of Canada LP

Skills/Compétences Canada offers a variety of partnership opportunities for the Skills Canada National Competition (SCNC) and other programs and initiatives throughout the year.

There is no better way to put your company's strength, commitment, and identity in the virtual spotlight than by effectively promoting a wide range of skilled trade and technology career opportunities. Join our numerous respected industry and educational partners and help us to inspire the youth of tomorrow.

Sign on as a multi-year sponsor or supplier of the Skills Canada National Competition for an opportunity to participate in additional events which may be of interest to you throughout the year:

National Skilled Trade and Technology Week (NSTTW) – November 2, 2022

During NSTTW organizations from across Canada get involved with SCC in a "hands-on" way to promote skilled trade and technology careers to youth, parents, and the public. The main goal is to get Canada's youth thinking about skilled trade and technology careers as a viable, interesting option. Partners can participate in the Official Launch, held in the SCNC host province, interacting with visiting school groups to promote their trade or brand.

Level Up! with Skills Canada – February 2022

Skills/Compétences Canada, its 13 provincial and territorial Member Organizations, and over 60 of their industry, education and government partners invite you to participate in this one-day interactive FREE virtual event.

Sponsors will have the opportunity to:

- Promote their organization in a custom virtual exhibit booth
- Connect with youth from across Canada to promote skilled trades, technologies, and career opportunities
- Network and connect with industry, education, and government partners
- Participate in panel discussions about skilled trade and technology careers and the importance of essential workers
- Include content in the virtual scavenger hunt and trivia challenge

Please contact us for a full list of deliverables we offer for this virtual event

Additional Initiatives include but are not limited to:

- Skills for Success Back to School Campaign
- Skills for Success Day
- World Skills Team Canada sponsor (bi-annually)

Support Canada's Future Workforce at the Skills Canada National Competition

Vancouver Convention Centre Vancouver, BC May 25 - 28, 2022

With its location near the mouth of the Fraser River and on the waterways of the Strait of Georgia, Howe Sound, Burrard Inlet, and their tributaries, Vancouver has, for thousands of years, been a place of meeting, trade, and settlement. It is consistently named as one of the top five worldwide cities for livability and quality of life. Winters in Greater Vancouver are the fourth mildest of Canadian cities after nearby Victoria, Nanaimo and Duncan, all on Vancouver Island.

The Skills Canada National Competition (SCNC) is the only national, multi-trade and technology competition for students and apprentices in the country. Each year, more than 550 competitors from all regions of Canada come to SCNC to participate in over 40 skilled trade and technology competitions.

By providing a forum where Canadians can compete at the national level, SCNC provides hands-on work experience related to skilled trade and technology careers.

Canada's best talent in skilled trades and technologies gather to compete in:

"The Landscape Horticulture trade is diverse, with many career pathways. Skills Canada Competitions are invaluable in providing exposure of our profession as well as many other trades to both the public and secondary school students in an exciting format. The competition allows students to showcase the many variables in what their trade holds, while being proud of what they have learned. The Canadian Nursery Landscape Association supports these amazing events, all students who compete, and those inspired to do the same in their future."

Anne Kadwell,
Landscape & Retail Sector Specialist,
Canadian Nursery Landscape
Association (CNLA)

Skills for Success

The 2022 Skills Canada National Competition will continue its ongoing objective of highlighting the importance of the Skills for Success commonly used in skilled trade and technology careers (adaptability, collaboration, communication, creativity and innovation, digital, numeracy, problem solving, reading text, and writing).

One of the main highlights of the two-day competition is the Skills for Success stage. Students and guests will engage in hands-on challenges, presentations, and interactive activities intended to increase their awareness of **how to recognize the Skills for Success** in any given trade or technology career. Discover your Skills for Success!

2019 On-Site Survey Feedback

Competitors were asked their perception of the impact the competition had on their Essential Skills (now Skills for Success). Similar to previous years, over 9 in 10 competitors agree the competition improved their thinking and problem-solving skills (93%).

SCC will work closely with the Skills for Success Sponsor to tailor a partnership that meets its business goals while emphasizing the importance of the Skills for Success.

Available opportunities include **School Engagement Sponsor** and **Skills for Success Assembly Sponsor**

Skills for Success School Engagement Sponsor

Value \$50,000

The School Engagement Program provides the opportunity for students to learn the importance of skilled trade and technology occupations, and the nine Skills for Success, prior to and post SCNC. This includes preparing students with educational materials prior to the Competition, as well as additional interactive tools that will enable them to fully understand the Competition, Try-A-Trade® and Technology activities, and on-site events. Additionally, local and outlying students will have the opportunity to attend SCNC through funding that will subsidize transportation costs.

Try-A-Trade® and Technology Activities

Nothing heightens awareness like hands-on experience! Give youth the opportunity to better understand the skilled trades and technologies by hosting an interactive Try-A-Trade® and Technology activity at SCNC. This is an excellent setting to showcase products, services and initiatives while networking with other industry leaders, students, educators and the general public.

The last in-person Competition held in 2019 featured over 50 Try-A-Trade® and Technology activities, our highest participation to date!

2019 On-Site Survey Feedback:

Nearly five in ten (47%) spectators participated in a Try-A-Trade® and Technology activity during the two days of the Competition. These activities were appealing to spectators, mainly because the activity seemed interesting or fun.

When working in the host province, SCC will connect directly with your local suppliers to ensure that your companies' priorities are being met in recognition for your generous donations. In addition to the above guidelines for suppliers, there is opportunity for onsite recognition, passes to the event and more. Please contact us to discuss and we will put together an agreement based on your company goals.

In-kind donations are recognized as follows:

Consumable: Sponsor is recognized for 100% retail value of the product, as the product is given entirely to Skills/Compétences Canada.

Non-consumable: Sponsor is recognized for 30% retail value of the product, as the sponsor retains sole ownership of the product post-competition.

"ConsuLab is so dedicated to the Skills Canada organization that we have designed training aids specifically for competitions, including the Skills Canada National Competition and WorldSkills. We believe our company philosophy aligns well with that of Skills and look forward to a long partnership and ongoing support of Skills Canada."

**Kevin Boden,
President, ConsuLab**

Government and Education Partners

SCC is proud to recognize its government and education partners that support its mission and goals and help ensure that SCNC is an ongoing success in developing Canada's skilled trade workforce. SCC will work directly with these partners in the host city to provide benefits and exposure to highlight the contributions and involvement based on the priorities of each individual partner.

"The Nova Scotia Community College (NSCC) was thrilled to celebrate the Skills Canada National Competition 25th anniversary in Halifax. NSCC students and staff involved in the competitions, Try-A-Trade® and Technology activities and Essential Skills Stage had an amazing experience and were proud to participate. Thank you for the opportunity to collaborate and support skilled trades and technologies."

Access to Opening and Closing Ceremonies, as well as the hospitality suite

Advertise in the Program Guide

SCC is pleased to offer exhibitors the opportunity to increase their company profile by reserving advertising space in the official event program.

½ page ad: \$500.00

Half page horizontal ads must be 6.83" w x 4.9" h

¼ page ad: \$250.00

Quarter page vertical ads must be 3.33" w x 4.91" h

Ads must be submitted as full colour high-resolution in vector (EPS) or PDF formats.

As space is limited, priority will be given to sponsors and organizations directly related to skilled trade and technology career opportunities. For additional information please contact Sharon Côté at 343.883.7545 ext. 514 or by email at sharonc@skillscanada.com.

To discuss these opportunities, and/or to develop a customized package such as a multi-year agreement please contact:
