Skills Symposium

Embracing Adaptability: Navigating Change in the Skilled Trades and Technologies

The Skills Symposium will be hosted on May 25 and 26, 2023, at the RBC Convention Centre, in Winnipeg.

This must attend event brings together key industry players, policymakers, and educators, to discuss and learn more about the latest trends and pressing issues facing the skilled trade and technology sectors. This will also be an opportunity to connect with other professionals, gain new perspectives, and expand your knowledge.

Session Topics will include:

- Skills development including training and education
- Diversity, equity and inclusion
- Sustainability and the environment
- Retainment and recruitment
- Skills for Success Forum focused on *Adaptability*
- The importance of literacy for skilled careers
- And much more!

In addition, there will be several networking events for registered attendees. To see the full agenda, go to: www.skillscompetencescanada.com/en/program/skills-symposium/
