SkillsCompétences Canada

Dr. Patrick Rouble President Skills/Compétences Canada

Get ready to experience the excitement of the Skills Canada National Competition (SCNC) in the historic city of Regina, hosted at the REAL District — Canada's largest interconnected event complex! In the spirit of reconciliation, Skills/Compétences Canada proudly acknowledges that the land on which we are gathering is Treaty 4 territory and the traditional territory of the Anihšinābēk, Nêhiyawak, Dakota, Lakota, and Nakota peoples, and the original home of the Métis/ Michif Nation. We recognize that both Indigenous and Métis people are the spiritual and cultural keepers of their traditional lands and still to this day, continue to practice their values, languages, beliefs and knowledge. Together, we honour these shared connections and celebrate our collective history.

Welcome to our competitors which includes hundreds of talented students and apprentices from coast to coast. Congratulations on earning your place at the Skills Canada National Competition (SCNC)! Your hard work, dedication, and passion for your chosen skilled trade or technology have brought you here, and that's something to be incredibly proud of. As you prepare to compete against the very best—the crème de la crème—Skills/Compétences Canada (SCC) would like to wish you the best of luck on your skills journey to claim the coveted title of national champion. Your skills are making our country proud!

This year's exciting event is packed with incredible activities and initiatives that highlight the diversity, innovation, and opportunities in skilled trades and technologies. There's something for everyone at SCNC Regina 2025, don't miss out on this unforgettable celebration of skills and innovation! Here's what you can look forward to:

- Skills Showcase: Featuring First Nations, Inuit and Métis Skills: Explore the amazing talents of First Nations, Inuit, and Métis communities as they demonstrate their unique skills and heritage.
- Empowering Women in Trades Booth: Meet inspiring women who've built successful careers in skilled trades and discover the exciting opportunities available to women in these fields.

• **Skills for Success (SFS) Forum:** Join us for this inspiring event—*Crafting Words, Building Futures*—where we dive into this year's SFS theme of *Writing*. Whether you're an educator, parent, or skilled worker, this is your chance to connect with SFS experts and engage in thought-provoking discussions. Expect dynamic plenary sessions, hands-on activities, and interactive roundtable discussions.

A heartfelt thank you to everyone for making this event so impactful. Through the Skills Canada National Competition (SCNC), we are inspiring youth to explore the many meaningful and rewarding careers available in the skilled trades and technologies. This event is more than a competition, it's a gateway for tomorrow's workforce to discover the incredible opportunities these industries have to offer. Together, we are #CreatingPossibilities for the future of Canada's youth, shaping a skilled workforce that will drive innovation and success for years to come. SCNC would not be possible without the unwavering support of our valued partners, the dedication of hundreds of volunteers, and the incredible efforts of everyone onsite. A very special thank you to Skills Canada Saskatchewan, our outstanding host province, for their tremendous contributions in making SCNC 2025 such a success. Thank you to everyone for being part of this journey. Together, we're building a brighter and more skilled future!

Through SCNC, we are celebrating the power of skills! SCC, along with our provincial and territorial Member Organizations, proudly reaches over 125,000 youth annually through our competitions and countless more through engaging interactive activities. A strong, skilled workforce is vital to keeping Canada's economy thriving, and we're committed to helping young Canadians develop the skills they need to pursue meaningful and rewarding careers.

On behalf of the Skills Canada Board of Directors and the skills community, I would like to congratulate all the competitors for making it to SCNC. Continue to strive for excellence and remember that we are rooting for you! Together let's continue to grow the skills movement and demonstrate how #SkillsChangeLives!

Dr. Patrick Rouble
President of the National Board of Directors

Skills/Compétences Canada

UA CANADA IS PROUD TO RETURN AS PRESENTING SPONSOR

UA Canada represents over 62,000 highly-skilled piping professionals including 10 Red Seal trades

Plumbers, Pipefitters/Steamfitters,
Welders, Sprinkler Fitters,
Refrigeration and Air Conditioning
Mechanics, Gasfitters (Class A & B),
Oil Heat System Installers,
Instrumentation & Control
Technicians and Metal Fabricators

Scan the QR code or visit uacanada.ca to learn more about a career with the UA

Mike Gordon
Director of Canadian Training
UA Canada

Welcome to Saskatchewan! UA Canada is delighted to once again partner with Skills/Compétences Canada (SCC) for the Skills Canada National Competition here in beautiful Regina. Along with UA Local 179, we look forward to taking part in this incredible event showcasing skilled and talented apprentices from across the country.

For over 135 years, the United Association (UA) has grown and evolved throughout North America maintaining a culture of excellence in the training of apprentices and journeypersons. We are the leading professionals in the piping industry, proudly representing ten Red Seal trades and a variety of specialty crafts. UA Canada represents 28 Local Unions from coast to coast, with over 62,000 members nationwide consisting of Plumbers, Pipefitters, Steamfitters, Sprinkler Fitters, Oil Heat System Technicians, Instrumentation & Control Technicians, Refrigeration & Air Conditioning Mechanics, Welders, Gasfitters and more.

We are proud to continue as a Presenting Sponsor, participating in the Try-A-Trade® and Technology activities which showcase the skills and techniques used in the piping industry. From soldering and tube bending to simulated welding opportunities, many students will have a chance to try it for themselves.

This year, we're extremely excited to continue the UA Canada Soaring Skills where we will be hosting Indigenous students to come enjoy and explore this great event!

As Director of Canadian Training, and on behalf of UA Director of Canadian Affairs Terry Snooks, we would like to wish each competitor a memorable experience and continued success. We know you have been preparing for this opportunity. The last few years have proven you can adapt and persevere —the recognition of your dedication has brought you to this once-in-a-lifetime event. All participants, no matter the outcome, should be incredibly proud. You are already winners.

Mike GordonDirector of Canadian Training
UA Canada

Making a difference, | Changer les choses,

TOGETHER ENSEMBLE

At Cenovus, we are committed to making social investments – financial and beyond – to help young people prepare for their futures.

Chez Cenovus, nous sommes déterminés à investir dans la société – tant sur le plan financier qu'autrement – pour aider les jeunes à se préparer pour l'avenir.

cenovus

Candace Newman
Senior Vice-President
People Services, Cenovus Energy

Cenovus Energy would like to welcome everyone to the Skills Canada National Competition 2025, in Regina! The Skills Canada National Competition brings together students, tradespeople and organizations from across Canada to connect with one another, showcase their skills and discover prospective careers.

We're excited to partner with Skills/Compétences Canada again this year as a Presenting Sponsor. The Skills Canada National Competition is a great opportunity for our company to identify talent and engage with the future workforce. The work Skills Canada does to promote careers in the trades and technologies better prepares workers for the jobs of tomorrow, deepening the talent pool for different sectors, including ours.

At Cenovus, we require skilled and talented people to operate our assets safely and reliably, everyday, including here in Saskatchewan. Through SCNC we're confident that more Canadians will learn about, be attracted to and be prepared for these rewarding careers. We hope to see some of them at Cenovus one day.

Good luck to everyone participating and enjoy the competition!

Candace Newman
Senior Vice-President, People Services
Cenovus Energy

Locally owned. Genuinely Canadian.

There's a place for you on the Home Team.

Helping Canadians with projects big and small for 60 years . . . and counting.

Welcome to Regina! Home Hardware Stores Limited is proud to be your Presenting Sponsor for this year's Skills Canada National Competition. For over 60 years and counting, Home Hardware Stores Limited has been supporting Canada's tradespeople with all their project needs. Now, we're delighted to support you as you enter your career in trades and technologies.

As a genuinely Canadian company, our Dealer-owners at more than 1,000 stores across the country take pride

in the expert advice and quality service they offer their communities. Stop by our booth to chat with us about the opportunities that exist for you at Home Hardware Stores Limited and take part in the Try-A-Trade® and Technology activities we have to offer.

We hope you enjoy your experience at the Skills Canada National Competition 2025, in Regina and best of luck to those competing!

Ian White
President and CEO
Home Hardware Stores Limited

BRING ITstayinregina.com

Sandra Jackle
President & CEO
Regina Hotel Association

On behalf of the Regina Hotel Association, I am delighted to welcome all participants to Regina for this year's Skills Canada National Competition.

The hospitality industry, like many others, relies on skilled professionals to deliver exceptional experiences. Events like this not only highlight the importance of trade and technology careers but also help strengthen the talent pipeline for industries across the country. We are proud to support Skills/Compétences Canada in its mission to inspire and prepare the next generation of skilled workers, and we wish all competitors the very best as they put their abilities to the test.

While you're here, we invite you to explore and enjoy all that Regina has to offer. From our vibrant culinary scene – if you haven't tried Regina-style pizza yet, it's a must-add to your bucket list - to local attractions, we hope you experience the warm prairie hospitality that makes our city special.

Best of luck to all competitors – we hope you enjoy your time in Regina!

Sandra Jackle
President & CEO
Regina Hotel Association

RED SEAL

The Red Seal, when affixed to a provincial or territorial trade certificate, indicates that a tradesperson has demonstrated the knowledge required for the national standard in that trade. The Red Seal endorsement promotes excellence to employers, instills pride in skilled workers, and facilitates labour mobility.

A warm welcome to everyone attending and taking part in the Skills Canada National Competition 2025 being held in Regina, Saskatchewan. The Gene Haas Foundation and Thomas Skinner are pleased to be returning as sponsors of this incredible event.

Gene Haas is the owner of Haas Automation – the largest machine tool builder in the Western World – as well as Haas F1 Racing and a partner in Stewart Haas NASCAR. Gene has found the skilled trades to be a very exciting, prosperous career. Gene started in manufacturing sweeping floors in a machine shop in high school, then learning to CNC machine and designing products that only an individual who knew the industry would be able to design. Now, as a successful business owner, he puts millions of dollars every year into his own foundation, The Gene Haas Foundation, to help educate the next generation of manufacturing professionals.

Thomas Skinner and Sirco Machinery, Haas Factory Outlets for Western Canada and Eastern Canada, respectively, serve manufacturers in Canada that require Machinists, Mechatronics, Robotics and Industrial Mechanics/Millwrights. Manufacturing is a little-known profession in Canada. The Skills Canada National Competition provides the largest window we have into the skilled jobs that are available in our industry.

Thank you Skills/Compétences Canada for the work you do hosting this competition and creating awareness about skilled trades and technologies.

Congratulations to the competitors who have made it through provincial and territorial skills competitions to compete with the best in Canada in their chosen trade or technology.

Best of luck. Now let the competitions begin!

WorkSafe

Kevin Mooney, MBA, CRSP

Vice-President, Prevention and Employer Services Saskatchewan Workers' Compensation Board

On behalf of WorkSafe Saskatchewan, we are extremely pleased to be part of the Skills Canada National Competition 2025, as a Premier Sponsor.

We are thrilled to welcome the 500 participants to our beautiful Queen City of Regina and wish each of you all the best throughout the duration of the competition.

WorkSafe Saskatchewan is an injury prevention and workplace safety partnership between the Saskatchewan Workers' Compensation Board (WCB) and the Ministry of Labour Relations and Workplace Safety. Through the partnership, WorkSafe Saskatchewan offers programs and support to help employers and workers develop workplace health and safety programs.

Each year across the country, too many young Canadians just starting out in their fields are injured or killed on the job. Our role is to bring awareness, help with safety

training and share information about preventative actions to ensure everyone goes home safe at the end of each shift.

Here in Saskatchewan, we want every young worker to know their rights at work. These three important rights include the right to know what hazards are present in the workplace, the right to participate in keeping the workplace healthy and safe, and the right to refuse unusually dangerous work. These three rights are protected under *The Saskatchewan Employment Act*.

Congratulations to all the participants and for making it this far in the competition. As you go out into your fields, remember your rights on the job and please take actions to protect yourself and your coworkers.

Stay safe,

Kevin Mooney, MBA, CRSP

Vice-President, Prevention and Employer Services, Saskatchewan Workers' Compensation Board

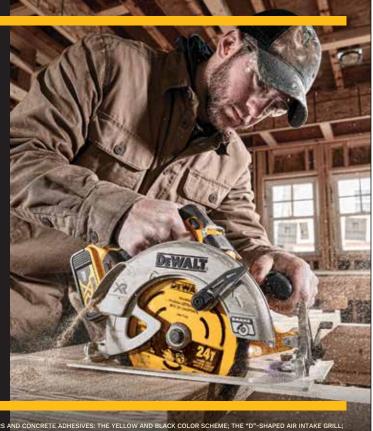

At DEWALT®, supporting and growing the trades in Canada is a key component of our vision. Following the Skills Canada National Competition, all of the DEWALT tools will be donated to eligible trades and technology programs in Saskatchewan through the DEWALT Tool Enhancement Program.

TRY-A-TRADE® AND TECHNOLOGY ACTIVITIES

Find your favourite activities with their booth numbers here! See the SCNC site map on pages **32-33** to find the location of the booth numbers on the map. Use the legend to help you know in which building to look for the booth.

AIRCRAFT MAINTENANCE ENGINEERS OF CANADA (AMEC) / V23

Practice lock wiring with the right tools and personal protective equipment. Identify defects on aeronautical parts and write anomaly reports in technical logbooks.

AKZONOBEL / V07

APPRENTICESEARCH.COM / F03

BRICKLAYERS AND ALLIED CRAFTWORKERS LOCAL 1 SASKATCHEWAN / X07

Check out our booth where you can lay bricks with a practice mortar.

BUNZL SAFETY / B03

We'll have an interactive setup featuring a dynamic PowerPoint presentation, hands-on products and Personal Protective Equipment samples. In addition, students will have the chance to win an exciting giveaway!

 $\mathbf{A} = AffinityPlex$

B = Brunswick Arena

F = Foyer of Viterra ITC

CAMPUS REGINA PUBLIC / A17

Come and try different activities related to one of our 14 course offerings. Campus Regina Public is a career-centered institution and an innovative and exciting way to experience education.

CANADIAN ARMED FORCES / V32

Are you up for the challenge? Try out some of the largest, heaviest, and highest tech equipment that requires operation and maintenance.

EMPOWERING WOMEN IN TRADES (EWIT) / A18

Step into the EWiT space—a vibrant hub where industry pros like Sherry Holmes and Arianna Dyck inspire future tradeswomen through handson demos. Explore skilled trades, connect with mentors, and meet sponsors including UA Canada, Viega LLC, PCL Construction, RV Careers, Vale Base Metals, UBC Sisters in the Brotherhood, Women in Renewable Energy (WiRE), and Aerotek.

NATIONAL ALUMNI COMMITTEE / A18C

Meet the inspiring women of the National Alumni Committee and discover their stories!

PCL CONSTRUCTION / A18B

Come to our booth to meet women apprentices who will explain the benefits of trades to youth and also get the chance to win prizes.

RV CAREERS / A18F

Uncover the RV service technician's role! Examine key components, learn diagnostic processes, and experience this dynamic technical field.

UA CANADA / A18G

Explore a career for life! Try your hand at skills used in the pipe trades and discover a trade that has built in supports for everyone!

UBC SISTERS IN THE BROTHERHOOD / A18D

Meet our tradeswomen and test your hand tool skills and problemsolving abilities by assembling a miniaturized scaffold demonstration kit.

VALE BASE METALS / A18H

Come visit us and discover how fast you are at screwing the nuts into the correct bolts. You can also immerse yourself in the virtual reality of an underground mine.

VIEGA LLC / A18E

Experience and press Viega's fittings at our booth! You will also learn about Viega systems which are designed to work together in plumbing, heating, cooling and pipe-joining applications.

WOMEN IN RENEWABLE ENERGY (WIRE) / A18A

Design and build a mini solar tracker that follows the sun to boost solar panel power! Using a fun block-based programming language, you'll create, code, and test your own working model—learning how solar tracking tech helps get the most energy from the sun.

SKILLS SHOWCASE: FEATURING **FIRST NATIONS, INUIT AND MÉTIS SKILLS / V09**

Discover the links between the traditional skills of First Peoples and potential careers in the skilled trades and technologies through local artists.

This initiative sponsored by Aerotek, Dumont Technical Institute, Makers Making Change, Neil Squire, Meadow Lakes Tribal Council, Prince Albert Catholic School Division, the Saskatchewan Indian Institute of Technologies and Soaring Circle.

DUMONT TECHNICAL INSTITUTE (DTI) AND LOTUS LEARNING SOLUTIONS

Participate in hands-on carpentry activities, as well as hoisting and rigging, lathe operation, and shaft alignment as part of the millwright trade.

MEADOW LAKES TRIBAL COUNCIL

Try paddle-making firsthand in this fun, hands-on activity! Shape your own 18-inch mini paddle using real woodworking tools like spokeshaves and sanders. Start with raw wood, carve and smooth your design, then brand it with the official Skills Canada Saskatchewan logo for a personalized keepsake.

SOARING CIRCLE

Swing by this booth to check out a live setup with a sewing machine and serger in action, plus a dynamic video presentation showcasing their creative process!

THE SASKATCHEWAN INDIAN INSTITUTE **OF TECHNOLOGIES (SIIT)**

Don't miss the chance to experience their brand-new Tiger Cat simulator. Get behind the controls and see what it's like to operate powerful forestry equipment firsthand!

CANADIAN NURSERY LANDSCAPE CAPITAL AUTOMOTIVE / V30 **ASSOCIATION (CNLA) / X06**

Test your landscaping skills in our paver challenge! Compete to lay pavers the fastest—winner takes home a plant! Hard Landscaping is also a part of gardening.

CANADIAN WOODWORKER / B04

- Get hands-on with real rotors, pads, and calipers as you dive into the world of automotive brakes. Discover how these critical components work, and what it takes to keep every vehicle road ready. Presented by Capital Automotive Group.
- Grab a hammer and jump into real dent repair. Straighten out damaged sheet metal and get a taste of the skills it takes to be a top-notch collision tech. Presented by Universal Collision Centre.

CBRE / A09

Check out our extended reality solutions that bridge digital and physical worlds and the future of technical facilities management, leveraging technology to its fullest potential.

CCDA SECRETARIAT/ RED SEAL PROGRAM / V04

CENOVUS ENERGY / A36

Visit our interactive photo booth, featuring our cuttingedge VR goggles that take you right to our oil sands operations. Visit our booth and learn more about how we energize the world!

CLAC / B01

CN RAIL / V15

Participate in a virtual reality tour of the jobs on a CN train yard.

COPELAND / V05

Stop by for a full demonstration of how a refrigeration system works.

CWB ASSOCIATION / F09

Check out our podcast and test out our welding simulator on site.

CWB WELDING FOUNDATION / V16

Discover welding and try the Miller MobileARC simulator. It's safe, fun, and hands-on. Explore a career in welding and test your skills today!

DEWALT / A08

Compete in a game of Tic-Tac-Toe. Players will move the tiles by using the DEWALT Grabo, a very safe tool used by contractors to pick up and handle objects, with the use of suction, which would otherwise be too difficult to hold.

FINNING CAT / X04

Engage in hands-on electrical troubleshooting, wiring repair, and hydraulics demonstrations, and explore a \$240,000 Finning Cat service truck.

FLUKE / A10

GIRL GUIDES OF CANADA / A26

Visit us and discover how we're empowering youth ages 5–17 to explore, lead, and grow. From science, technology, engineering and mathematics (STEM) to leadership and life skills, our inclusive programs inspire confidence and curiosity. Meet our amazing volunteers and learn how girls are making a real impact!

HEAT & FROST INSULATORS & ALLIED WORKERS, LOCAL 110 / V31

Visit our booth and create your own custom koozie!

HOME HARDWARE STORES LIMITED / B05

Put your painting skills to the test to help create a community mural with BeautiTone paint, followed by a skill development exercise with the Home Hardware PRO Contracting team.

HONOUR THE WORK / A03

Explore the world of plumbing, bricklaying, electrical, baking, and more! Read captivating picture books that are sure to spark interest in skilled trade careers. Together, let's inspire the next generation of builders, creators, and problem solvers!

LET'S TALK SCIENCE / A12

See how science, technology, engineering and math are all around you through 360-degree STEM-career videos and activities. There's something for everyone!

LINCOLN ELECTRIC / V02

Use a welding simulator and meet Rob Jung, a metal artist from Saskatchewan.

LKQ / V28

L'MOOR / A33

Get hands-on with Light Elegance P+ Gel Polish and learn about the chemistry behind perfect, professional nails.

L'ORÉAL / A31

Discover our new launch, Vitamino Color Spectrum, preserving the five dimensions of the color spectrum for up to 100 days. Discover our full color portfolio Inoa, Majirel, Dia Light, Dia color and our 10 new shades Titan Brown. We'll also showcase our innovations Metal Detox and Absolut Repair Molecular. We look forward to welcoming you!

MANITOBA INSTITUTE OF TRADES AND TECHNOLOGY (MITT) / A38

An interactive cybersecurity puzzle where users explore security tools, reveal hidden clues with color-coded lighting, and solve a digital mystery inside a mini System on chip (SOC) display.

MECHANICAL CONTRACTORS ASSOCIATION OF SASKATCHEWAN (MCAS) / V18

Check out a scale model of a residential plumbing system supplied by Technical Safety Authority of Saskatchewan (TSASK).

MESSER / V19

MILLWRIGHT REGIONAL COUNCIL (MRC) / A34

Strike a pose at our interactive photo booth with tradeinspired props and take home a custom photo! Learn how millwrights power key industries like energy and manufacturing. Snap a pic, answer a fun skill-testing question, and score a cool pair of MRC sunglasses!

MOSAIC / A37

Try out a 3D Laptop that shows mechanical, electrical and other components. Disassemble the equipment and rebuild it!

NEIL SQUIRE (MAKERS MAKING CHANGE) / A04

Explore our booth on adaptive devices and solder a piece of technology which will be donated to a community member.

PCL CONSTRUCTION / B02

Using virtual reality technology, experience real-life construction hazards in a risk-free environment, and develop critical decision-making skills that save lives.

PRINCESS AUTO / A01

Participate in an impact gun race where you can use air tools to remove lug nuts and tires and learn how air tools, compressors and safety equipment are used.

PROFESSIONAL PHOTOGRAPHERS OF CANADA (PPOC) / A29

Explore a prairie photo exhibition and speak with a professional photographer about pursuing an exciting career in photography and the benefits of a PPOC membership and mentorship.

RBC FUTURE LAUNCH / A32

Participate in mock interviews with other students or complete a spending style quiz.

SASKATCHEWAN APPRENTICESHIP AND TRADE CERTIFICATION COMMISSION (SATCC) / V21

Put your skills to the test with a hands-on circuit demo and see how it connects to trades like mechanics, electrical, HVAC, and millwright work. Plus, try a plumbing demo—learn to rough in a three-piece bathroom and run water lines to a laundry box!

SASKATCHEWAN ASSOCIATION OF AUTO REPAIRERS (SAAR) / V20

Visit our booth to learn about collision repair! Try our virtual spray paint machine and learn about paintless dent and glass repair through demonstrations led by certified technicians.

SASKATCHEWAN AUTOMOBILE DEALERS' ASSOCIATION (SADA) / V08

Join us for a Hot Wheels car racing challenge with a leaderboard and a chance to win a prize for the fastest time.

SASKATCHEWAN INDIAN INSTITUTE OF TECHNOLOGIES (SIIT) / V25

- Operate forestry equipment in a virtual simulator using real Tigercat controls. Experience safe, hands-on training and explore trades programs offered by SIIT across Saskatchewan.
- Try aircraft painting in virtual reality, explore a turbine engine, and learn how to start your career in aviation maintenance through SIIT's Aircraft Maintenance Engineer (AME) diploma program.

SASKATCHEWAN MINING ASSOCIATION / A35

Explore careers in mining by competing to build the tallest headframe or learn to use a fire extinguisher on simulated digital flames.

SASKATCHEWAN POLYTECHNIC / A16

- Put your welding knowledge to the test! Using magnetic words, match terms like "stacked dimes," "undercut," or "porosity" to photos of various welds—some flawless, some not so much. Whether you're a pro or learning the ropes, see if your words stack up!
- Try our trades-only version of Wordle! This quickthinking challenge will keep your trade vocabulary sharp. Grab a friend and see who can crack the code first!
- Challenge your pastry skills! You'll be given a blank cookie, a piping bag filled with frosting, and a traderelated word or phrase to write. Once you've piped your masterpiece, admire (or taste) your handiwork!
- Sharpen your manufacturing skills! Using a CNC lathe you'll carefully machine a wooden pencil to a perfect point—demonstrating precision, tool control, and attention to detail.
- Step into the spray booth—virtually! In this hands-on simulation, you'll take control of a high-tech virtual spray gun to practice the skills of an autobody painter.

SASKATCHEWAN ROUGHRIDERS / A27

Stop by this booth to learn all about game day at Mosaic Stadium and explore the incredible experiences we offer—whether you're a die-hard fan or a first-time visitor.

SASKATCHEWAN TRUCKING ASSOCIATION (STA) / X01

Use a VR simulator to practice driving, inspecting, and backing up a transport truck and trailer, learning skills in a safe and interactive way.

SASKATCHEWAN WORKERS' COMPENSATION BOARD / V33

Participate in fun and interactive games to identify hazards and become informed on how to stay safe in the workplace.

SASKPOWER / A07

Get hands-on with Power Line Technicians (PLT)! Explore their tools, see a live transformer setup, and discover what a day on the job looks like. It's a unique chance to connect, learn, and dive into the essential work PLTs do to keep the power flowing.

SCHNEIDER ELECTRIC / A06

Discover how your hours of gaming can translate into an exciting career in industrial automation!

SGI / V29

SHEET METAL WORKERS' INTERNATIONAL ASSOCIATION (SMART) / V22

Stop by our booth and make key chains and necklaces using various hand tools and marking gauges.

SKILLS CANADA COLLISION REPAIR PROGRAM (SCCRP) / V27

SKILLS FOR SUCCESS (SKILLS/ COMPÉTENCES CANADA) / A15

Test your writing skills at the Skills for Success Booth!
Take part in a fun writing game and connect with the
National Alumni Committee as they share their inspiring
skills journeys. Discover how strong writing skills help
you work smarter, safer, and more effectively every day.

SNAP-ON / V06

Explore wheel weight precision and torque wrench speed at our booth! Engage in hands-on activities and enhance your abilities.

SOUTHWIRE / A05

Experience hands-on wire installation with Southwire's SIMpull® Technology. Learn essential tools and techniques and explore exciting career opportunities in the skilled trades.

SUZUKI / A02

THE STYLE ACADEMY / A30

Visit us to learn about different hairstyling techniques!

THOMAS SKINNER/GENE HAAS FOUNDATION / V26

Visit the CNC Skill Area where you can load material into a Haas Desktop Mill, key in your name, and produce a personalized dog tag, which you get to keep.

TOURISM REGINA / F01

Visit our booth to test your skills and win a unique Tourism Regina prize—brought to you in partnership with Economic Development Regina.

UA CANADA / V03

Visit our booth and interact with piping professionals. Experience hands on trade related activities which will include simulated welding opportunities and pipe joining methods such as soldering copper.

VALE BASE METALS / X02

Immerse yourself in the virtual reality of an underground mine and discover how fast you can screw nuts into the correct bolts.

VIEGA LLC / V01

Experience and press Viega's fittings at our booth! Learn about our systems which are designed to work together in plumbing, heating, cooling and pipe-joining applications.

VOLKSWAGEN GROUP OF CANADA / V24

Stop by the Volkswagen/Audi booth to test out your ability to solve problems using a variety of games, tests and tools.

VOLVO CONSTRUCTION EQUIPMENT/REDHEAD EQUIPMENT / X05

Take on the Bale Stacking Challenge in multiplayer mode! Hop into a Volvo wheel loader, grab an Xbox controller, and test your skills as you lift, stack, and haul hay bales with precision. Think you've got what it takes? Master the controls and conquer the course!

Ideas for people and planet™

RBC® and the RBC Foundation are helping equip people with the skills for a thriving future by helping them acquire in-demand skills, creating access to work experiences and advancing work readiness through relevant credentials.

SKILLS SHOWCASE: FEATURING FIRST NATIONS, INUIT, AND MÉTIS SKILLS

Skills/Compétences Canada is proud to partner with First Nations, Inuit, and Métis organizations from Regina to present a dynamic Skills Showcase at the REAL District during the Skills Canada National Competition (SCNC) 2025. This interactive showcase will highlight the intergenerational transfer of traditional skills—offering thousands of visitors the chance to explore and experience the craftsmanship and knowledge rooted in Indigenous cultures. Visitors will discover how these time-honored skills align with the Skill Areas featured at SCNC. The booth will also spotlight the skilled trades and training opportunities available through the Saskatchewan Indian Institute of Technology (SIIT) and Dumont Technical Institute (DTI) and Lotus Learning Solutions.

Step into the action at the Skills Showcase booth, located at Viterra International Trade Centre, in Hall B! Get hands-on with interactive activities like the Tiger Cat simulator, sewing machine demos, carpentry and millwright challenges, paddle making, textile, and so much more. It's your chance to test your skills, create something cool, and connect with real skilled tradespeople. Don't miss out—come see what you can do! For more information, check out the Try-A-Trade® and Technology activity descriptions.

MEET THE ARTISTS

As mentors, educators, and industry experts, these dedicated individuals play a vital role in shaping the future of Canada's skilled workforce. This will include Brien Morgan, PAA/HS Instructor from Clearwater River Dene School, Giuseppe Di-Leone, Instructor at Makwa Sahgaiehcan First Nation School and Red Seal Certified Master Carpenter, Jan Vandermeer, Education Specialist at Meadow Lake Tribal Council, Jenny Ambrose, Program Coordinator, Soaring Circle, Claire Haynes, student from Clearwater River Dene School and Melanie Monique Rose, Metis/Ukrainian visual artist from Regina. To read their biographies, visit our website at:

www.skillscompetencescanada.com/en/initiative/skills-showcase/.

THANK YOU, SKILLS SHOWCASE PARTNERS FOR YOUR SUPPORT.

SCNC PARTNER PROFILES

Find out who is behind making the Skills Canada National Competition 2025 a success! Learn about many of the companies making a difference in young people's career journeys towards the skilled trades and technologies!

3M

We're a science company. From health care and highway safety to office products, abrasives, and adhesives, we believe science has the power to improve lives around the world and that we can help put a brighter and more sustainable future within reach.

ABB

Our installation products division designs and manufactures products used to connect, manage, and distribute electrical energy in residential, commercial, industrial, and utility applications. With 80% of its portfolio made or assembled in Canada, we manufacture locally, using Canadian materials to produce recognized brands like IBERVILLE®, Microlectric®, and Star Teck®.

AIRCRAFT MAINTENANCE ENGINEERS OF CANADA (AMEC) / V23

We provide a national forum for Canadian Aircraft Maintenance Engineers, to promote the role of Aircraft Maintenance Professionals in the aviation workforce. We hold in high regard the safety of those persons affected by these occupations, and we promote safe practices in the workplace as this is the cornerstone of the aviation industry.

AMJ CAMPBELL

We are Canada's largest relocation company and have been operating since 1934.

BUNZL SAFETY / B03

We make sure Canadians are safe by providing the right personal protective equipment solution for every job. We help keep them up-to-date, and we provide them with high quality products.

CAMPUS REGINA PUBLIC

We are a career-centered educational institution available to grade 11 and 12 students registered with Regina Public. Experienced teachers partner with industry professionals and post-secondary institutions to provide opportunities for students to explore skilled trades and technologies that combine industry standard with academic excellence.

CANADIAN ARMED FORCES / V32

We are consistently ranked among the top 25 employers in Canada. We have a variety of skilled in-demand trades available in the Navy, Army, or Air Force. We offer a competitive salary and amazing benefits. We also offer 100% paid education programs for college and university for those who qualify.

CANADIAN AUTOMATIC SPRINKLER ASSOCIATION (CASA)

CANADIAN WOODWORKER / B04

We have been fulfilling the needs of educational woodworking for 57 years. Our vast lineup of CWI Woodworking Machinery is designed for high performance applications and safety compliance for technical programs in Canadian educational facilities.

CAPITAL AUTOMOTIVE / V30

We operate dealerships and repair facilities across the Prairies, supporting skilled trades through hands-on career opportunities in automotive and collision repair.

CBRE / A09

We are the global leader in commercial real estate services and investments. We create solutions for clients of every size, in every sector, and across every geography.

CCDA SECRETARIAT/RED SEAL PROGRAM / V04

The Red Seal Program is the Canadian standard of excellence for skilled trades. The Red Seal endorsement promotes excellence to employers, instills pride in skilled workers, and facilitates labour mobility.

CENOVUS ENERGY / A36

We are a Canadian-based integrated energy company headquartered in Calgary. We're committed to maximizing value by developing our assets in a safe, responsible and cost-efficient manner.

CLAC / B01

Formed in 1952, we are a national union representing over 60,000 workers in almost every sector of the economy. Based on values of respect, dignity, and fairness, we are committed to building better workplaces, better communities, and better lives. We are an affiliated member of the World Organization of Workers.

CN RAIL / V15

We are a premium railroad that sustainably generates value for our customers, shareholders, employees, and stakeholders with an unwavering commitment to safety and service.

COMPUTERS FOR SCHOOLS SASKATCHEWAN

Computers for Schools+ Saskatchewan is delivered by Saskatchewan Technology Renewal Inc., a registered charity. We distribute over 4000 computers each year to schools, libraries and non-profits across Saskatchewan.

COMPUTERS FOR SUCCESS CANADA

Created in 2005, we are a nonprofit that supports Canada's digital inclusion through e-waste reduction, workforce enablement, and social inclusion initiatives.

CONSULAB

We are committed to providing our clients access to the technology necessary to train their students. Our automotive educational products are built to help students meet the requirements for their specific program and prepare them for a successful future in the workplace.

COPELAND / V05

As a legacy gold sponsor of the of the Skills Canada National Competition, we are proud to invest in apprentices and students that chose to become a Red Seal Air Conditioning & Refrigeration Mechanic as their career path!

CWB ASSOCIATION / F09

CWB WELDING FOUNDATION / V16

We believe in igniting bright futures in the welding and material joining industry through breaking barriers and bridging equitable opportunities.

DEWALT / A08

We are obsessed with how users work in the real world and are relentlessly pursuing total jobsite solutions. By incorporating its latest technology and industry innovations, DEWALT is leading the charge for the jobsite of the future.

DUMONT TECHNICAL INSTITUTE (DTI) AND LOTUS LEARNING SOLUTIONS

We are the training arm of both the Carpenter's Union and Millwright Union for Saskatchewan.

FEATHERLITE LADDERS

We are Canada's number one Professional Ladder Brand.

FESTO DIDACTIC

We are the world-leading provider of equipment and solutions for technical education. Our products and services offer customers holistic education solutions for all areas of technology in factory and process automation, such as pneumatics, hydraulics, electrical engineering, production technology, mechanical engineering, mechatronics, CNC, HVAC and telecommunications.

FINNING CAT / X04

We are the world's largest Caterpillar dealer delivering excellent service for over 92 years. We sell, rent and provide parts and service for equipment and engines to customers in various industries, including mining, construction, petroleum, forestry and a wide range of power systems applications.

FLUKE / A10

We have been the leading manufacturer of test and measurement tools worldwide for 75 years. Our headquarters are in Everett, WA.

FUTUREWORX

We are a social purpose organization that responds to employment and skill development needs. We help people with diverse needs identify their strengths and goals, develop skills and achieve success in school, work, and life. We offer an expansive range of employment, educational, and training programs, as well as, business, corporate and customized services.

GENE HAAS FOUNDATION / V26

We were established to give back to the community by supporting local charities. Our mission has expanded to enhance manufacturing education and introduce young people to careers in industry. Today, the Gene Haas Foundation donates millions annually to educational programs and community organizations.

GIRL GUIDES OF CANADA / A26

We help girls discover their potential, build their confidence and embrace their power as changemakers, innovators and leaders. Whether experimenting with science, technology, engineering and mathematics (STEM), going on outdoor adventures or building real-life skills, they're learning to be bold, curious and connected – all in a supportive, inclusive space.

GRAYBAR

We are a one-stop source for electrical supplies to power project success. We distribute products from the best electrical manufacturers in the business, connecting you with a wide range of high-quality products verified by our partnerships with customers, vendors, and contractors alike.

HABITAT FOR HUMANITY SASKATCHEWAN

We build affordable homes in partnership with families, volunteers, and donors, creating lasting impact and stronger communities across the province.

HEAT & FROST INSULATORS & ALLIED WORKERS, LOCAL 110 / V31

For over 75 years, Local 110 and Local 118 Insulators have led the way in building safer, greener communities. With top-tier training, benefits, and pay, our 2,000+ skilled members power Alberta and British Columbia's energy efficiency—protecting people, property, and the planet with every job they do.

HOME HARDWARE STORES LIMITED / B05

Founded 60 years ago, we are the country's largest dealer-owned home improvement retailer with more than 1,000 stores operating across Canada.

HONOUR THE WORK / A03

We are a charity whose mission is to connect educators and grades one to six students with skilled trade and construction careers through hands-on learning.

IN-HOUSE SOLUTIONS

We offer the Mastercam Educational Suite which delivers the full power of the World's #1 CAM system in one package.

INKSMITH

INTERNATIONAL CONNECTOR

LET'S TALK SCIENCE / A12

We are a national charitable organization committed to inspiring and empowering youth of all ages in Canada to develop the skills they need to participate and thrive in an ever-changing world. To accomplish this, we offer a comprehensive suite of STEM-based programs to support youth, educators, and volunteers across Canada.

LINCOLN ELECTRIC / V02

We are the world leader in welding and cutting solutions and are committed to supporting education and the future generation of welders.

LKQ / V28

We are the leading provider of alternative aftermarket, specialty salvage and recycled auto parts to repair and accessorize vehicles, with operations in North America, Europe, and Taiwan.

L'ORÉAL / A31

With 110 years of avant garde, we are defying the present, to go further, to aim higher. We serve hair artists to revolutionize the salon experience and give them the power to dare. Our education is tailored for each, created for all, to be as unique as you.

MASTER

We are the largest independent HVAC-R distributor in Canada. Our company is a prime example of Quebec's entrepreneurial spirit, with over 1,000 employees and more than 50 branches and four distribution centres spanning from coast to coast.

MEADOW LAKE TRIBAL COUNCIL (MLTC)

MLTC was formed in 1981 when the First Nations of Northwest Saskatchewan united to form the Meadow Lake District Chiefs Joint Venture.

MESSER / V19

We are the largest privately held industrial gas business in the world, and a leading industrial and medical gas company in North and South America. Messer offers 125 years of expertise in industrial, medical, specialty and electronics gases.

MILLWRIGHT REGIONAL COUNCIL / A34

From infrastructure to auto manufacturing, UBC millwrights can be found performing the kind of mission-critical work that keeps the world moving.

MITUTOYO

We are the world's largest provider of measurement and inspection solutions, offering a complete selection of instruments, machines, sensors, systems, and software.

MOSAIC / A37

We are one of the world's leading producers and marketers of concentrated phosphate and potash crop nutrients.

NATIONAL SPRINKLER INDUSTRY JTAC

We are a non-profit organization dedicated to supporting sprinkler fitter apprenticeship and journeyperson upgrade programs.

NEIL SQUIRE/MAKERS MAKING CHANGE / A04

Makers Making Change, a program of Neil Squire, offers an online platform of low-cost, volunteer-built assistive technologies.

OPENING MINDS

We are a not-for-profit social enterprise that provides training and the tools to talk about mental health, change negative attitudes, and reduce stigma related to mental illness.

PCL CONSTRUCTION

We are a 100% employee-owned family of construction companies in Canada, the United States and Australia. As owners, we are committed to shaping the future of construction and our communities.

PIVOT POINT

We are a global leader in beauty education, offering innovative tools and mannequin heads to empower future hairstylists with creativity, precision, and confidence.

PRINCESS AUTO / A01

We're a private, Canadian-owned company providing tradespeople, farmers, inventors and industrial workers with the most unique assortment of tools, equipment, unrivaled customer service and exceptional value for nearly 100 years.

PROFESSIONAL PHOTOGRAPHERS OF CANADA

PRO SPOT

We provide solutions for advanced collision repair applications in the automotive industry. As global leaders, Pro Spot owns multiple patents for revolutionary welding equipment. We work with the largest auto manufacturers in the world and have been awarded Original Equipment Manufacturer (OEM) approvals across the automotive industry.

RBC FUTURE LAUNCH / A32

We are a global financial institution with a purpose-driven, principles-led approach to delivering leading performance, and creating value for our clients and communities.

REGINA DISTRICT INDUSTRY EDUCATION COUNCIL (RDIEC)

REGINA HOTEL ASSOCIATION

We are the voice of Regina's hotel industry, representing over 86% of the city's guest rooms across 24 member hotels.

RHEEM

We engineer products for life. Backed by 100 years of expertise, we're passionate about product innovation and committed to sustainability.

RIDGID/GREENLEE

We build for the world's expert tradespeople. RIDGID tools are known as industry-leading products that allow professionals to complete jobs quickly and reliably.

ROCKWELL AUTOMATION

Our mission is to improve the quality of life by making the world more productive and sustainable. We are committed to enabling the next generation of smart manufacturing. With the right strategy, talented people, and our substantial financial strength, we are dedicated to deliver value to our customers.

SANDVIK COROMANT

We are a manufacturer of premium metal-cutting tools, providing high-end services and machining technology. Beyond metal cutting, we innovate and collaborate, transforming industry challenges into impactful solutions.

SASKATCHEWAN APPRENTICESHIP AND TRADE CERTIFICATION COMMISSION (SATCC) / V21

We oversee and administer the apprenticeship and trade certification system in Saskatchewan, dedicated to training apprentices and certifying tradespeople.

SASKATCHEWAN AUTOMOBILE DEALERS' ASSOCIATION (SADA) / V08

We represent all new car dealers in Saskatchewan. We help dealers across the province recruit quality employees.

SASKATCHEWAN INDIAN INSTITUTE OF TECHNOLOGIES (SIIT) / V25

We empower Indigenous learners through innovative education, trades training, and career services, fostering community growth, cultural preservation, and meaningful career pathways. We deliver accessible, skills-focused education and training for Indigenous learners across Saskatchewan.

SASKATCHEWAN MINING ASSOCIATION / A35

We represent the mining and mineral exploration industry within Saskatchewan. We advocate on behalf of members on issues related to provincial and federal regulatory changes, develop and support educational outreach programs, organize and host public outreach and membership events.

SASKATCHEWAN POLYTECHNIC / A16

We serve students through applied learning opportunities on Treaty 4 and Treaty 6 Territories and the homeland of the Métis. Learning takes place at campuses across Saskatchewan and through distance education. We provide learning to employers and students, and offer many programs including apprenticeship training.

SASKATCHEWAN ROUGHRIDERS / A27

Founded in 1910, we are a historic Canadian Football League (CFL) franchise with passionate fans and a vibrant home at Mosaic Stadium in Regina.

SASKATCHEWAN TRUCKING ASSOCIATION / X01

We have been serving Saskatchewan's trucking industry for over 85 years, promoting safety, employee development, sustainability, and growth across the sector.

SASKATCHEWAN WORKERS' COMPENSATION BOARD / V33

WorkSafe Saskatchewan is an injury prevention and workplace safety partnership between the Saskatchewan Workers' Compensation Board (WCB) and the Ministry of Labour Relations and Workplace Safety. We offer programs and support that help employers and workers develop workplace safety and health programs.

SASKPOWER / A07

Established in 1929, we are Saskatchewan's leading energy supplier. We are defined by our commitment to support economic growth and enhance the quality of life in our province. We ensure reliable, sustainable and cost-effective power for our customers and the communities we serve.

SCHNEIDER ELECTRIC / A06

We are a multinational company that specializes in digital automation and energy management by combining energy technologies, real-time automation, software, and services.

SCHULICH EXECED, SCHULICH SCHOOL OF BUSINESS

We are an extension of Canada's #1 Business School with a team of experienced professionals with expertise in leadership and professional development. We offer micro-credential upskilling and reskilling in management, leadership, and business operations. We offer custom programs for organizations, providing upskilling to employers and employees in diverse sectors.

SKILLS CANADA COLLISION REPAIR PROGRAM (SCCRP) / V27

We promote careers in the Collision Repair Industry to students, parents and teachers by increasing visibility and awareness of career opportunities at skills competitions and career events across Canada.

SNAP-ON / V06

Snap-on® Total Shop Solutions offers top-tier automotive repair equipment from brands like John Bean® and Car-O-Liner®. Trusted globally across industries—from automotive to defense—we provide innovative tools, diagnostics, and expert support to power critical work and keep the world moving.

SOARING CIRCLE

We empower Indigenous youth through education, improving their access to career and entrepreneurship opportunities.

SOUTHWIRE / A05

We are a leader in technology and innovation and one of North America's largest wire and cable producers. We manufacture and supply many electrical products. The company also provides a variety of field and support services to customers around the world.

STCD

We are a Canadian family-owned business and have been in operation for 44 years. We mainly work in the industrial field, more specifically on the reliability side of maintenance, helping companies to stay profitable.

SUZUKI / A02

We are located in Barrie, Ontario, and were founded in 1973 by Suzuki Motor Corporation, which is based in Hamamatsu, Japan. We specialize in motorcycles, ATV and outboard marine. Suzuki employs over 70,000 people globally, with products available in over 200 countries.

THOMAS SKINNER / V26

We are a distributor of industrial metalworking equipment. With locations across Canada, each facility offers showrooms, technical sales, aftermarket parts and service support. Thomas Skinner is the exclusive distributor for Haas CNC machine tools in the region.

TOURISM REGINA / CITY OF REGINA / F01

We are dedicated to providing an excellent visitor experience through effective communication, exceptional customer service, and the promotion of all that Regina has to offer.

TOURISM SASKATCHEWAN

UA CANADA / V03

We represent over 62,000 highly skilled piping professionals in ten Red Seal trades, including Plumbers, Pipefitters/Steamfitters, Welders, Sprinkler Fitters, Refrigeration and Air Conditioning Mechanics, Gasfitters (Class A & B), Oil Heat System Installers, Instrumentation & Control Technicians and Metal Fabricators.

VALE BASE METALS / X02

We are a global mining company committed to safely delivering the nickel, copper, cobalt and platinum group metals, which are essential for the world's energy transition.

VICTAULIC

As the world's leading producer of grooved mechanical pipe joining systems, we deliver groundbreaking solutions for the fire protection industry.

VIEGA LLC / V01

Viega pipe and fitting solutions are tested to a high standard and deliver unparalleled quality and durability. Whether the application be commercial, industrial, residential or marine, contractors worldwide trust us for all their plumbing, flushing, heating, and cooling needs.

VOLKSWAGEN GROUP OF CANADA / V24

Headquartered in Ajax, Ontario, we offer Canadian drivers exceptional vehicles, along with expert service. Volkswagen Group Canada is comprised of three brands: VW Canada, Audi Canada, and Lamborghini.

VOLVO CONSTRUCTION EQUIPMENT/REDHEAD EQUIPMENT / X05

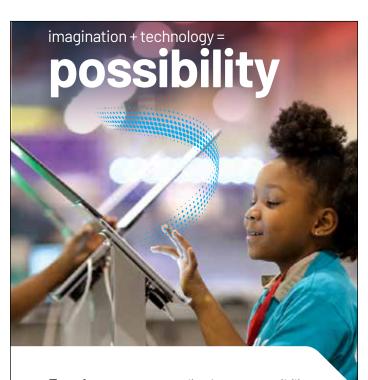

We are a leading international manufacturer of premium construction equipment.

WOMEN IN RENEWABLE ENERGY (WIRE)

Our mission is to advance the role and recognition of women and underrepresented groups in the energy sector.

WOMEN ON SITE

We foster a vibrant community for women and nonbinary individuals in construction/STEM, championing mentorship, networking, and support in maledominated fields.

Together, we are expanding human possibility in our communities- helping nurture the next generation of builders, makers, and innovators.

As a WorldSkills partner, ConsuLab sent independent experts and contest designers to test the very best up-and-coming automotive technicians in the world through four grueling days of competition.

ConsuLab is proud to support skills at all levels provincial, national and international.

SKILLS FOR SUCCESS MATTER

LET'S GET WRITING!

"A word after a word after a word is power."

Margaret Atwood

WRITING

The ability to share information using written words, symbols, and images. This can include filling out forms and applications, or writing emails, reports, and social media posts.

WHY THIS SKILL IS IMPORTANT

We write to communicate ideas and information to others. It fosters critical thinking and serves as a powerful tool of expression, connection, and influence. Through writing, we can communicate complex ideas and share knowledge across generations.

THE SKILLS FOR SUCCESS FORUM: **CRAFTING WORDS, BUILDING FUTURES**

The Skills for Success Forum brings education and industry representatives together to discuss the importance of educating youth on the nine Skills for Success, and how they relate to skilled trade and technology occupations. This free half-day conference enables attendees to participate in interactive sessions that encourage open dialogue amongst many interested parties. This year's theme is Writing!

Closing Remarks

Presented by Snap-on

Join the conversation on May 29 from 8:45 AM -12:00 PM in MEETING ROOM 1 on the 2nd floor of the OUEENSBURY Convention Centre.

UA CANADA SOARING SKILLS PROGRAM

Skills/Compétences Canada is proud to partner with First Nations, Inuit, and Métis organizations from Regina to This year the UA Canada and SCC are thrilled to host First Nations Students from the Saskatchewan region and from Nunavut to come experience all that Skills Competence Canada (SCC) has to offer. As part of the UA Soaring Skills program hosted at the Skills Canada National Competition, students will be able to explore the Try-A-Trade® activities, participate in a Manufacturing Workshop hosted by NGen, immerse themselves in the environment of the competition, and learn about the unlimited opportunity and potential there is with a career in the skilled trades!

THANK YOU TO THE PARTNERS WHO HELPED MAKE THIS POSSIBLE.

TUNE IN LIVE - CHECK OUT OUR LIVE STREAM!

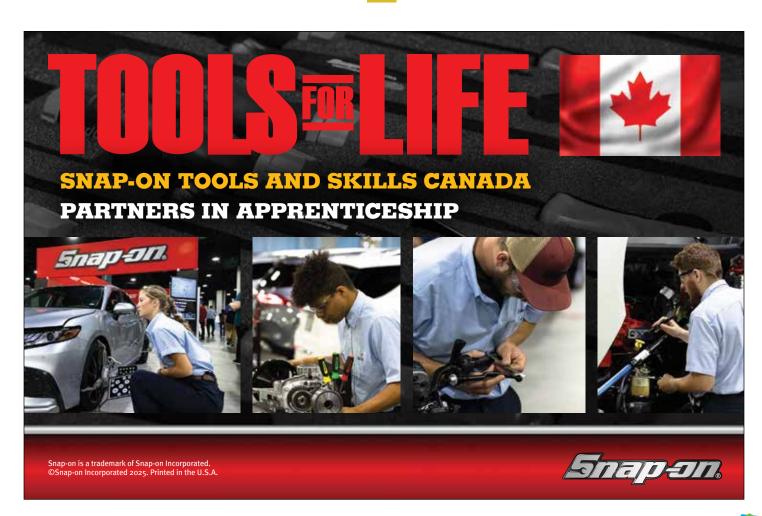

Skills/Compétences Canada is excited to be live streaming the Skills Canada National Competition, and the Opening and Closing Ceremonies again this year! Watch competition footage and onsite interviews with celebrities, partners, alumni, members of the National Technical Committee and the National Board of Directors. Check out the live stream to learn more about the different Skill Areas, see what they are working on, and cheer on competitors from your province or territory! You can watch the live stream on the big digital screens at the main entrance of the Viterra International Trade Centre and on screens throughout the venue.

To view the production of the live stream live, go to the mezzanine in the Affinity Plex of the REAL District. To see the full live stream schedule and what's coming up next, check out our website and our social media channels. Watch it live from any location on SCC's YouTube channel.

THANK YOU TO OUR LIVE STREAM SPONSORS!

SHAPING THE FUTURE: THE NATIONAL ALUMNI COMMITTEE ENGAGES YOUTH AT SCNC REGINA 2025!

The National Alumni Committee (NAC) is comprised of Skills/Compétences Canada alumni from each province and territory. NAC was formed to create, support, provide guidance, and ensure that the best interests of their member associations are met and that each of their voices are heard.

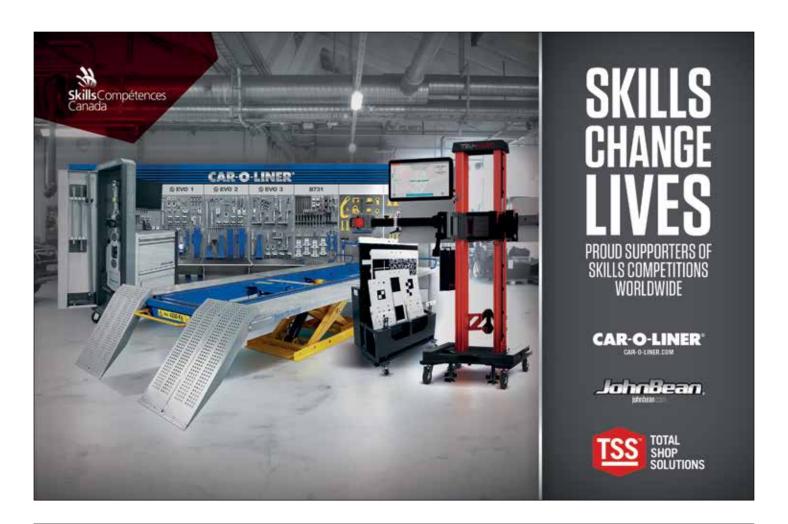

Meeting at the Skills Canada National Competition (SCNC) 2025, in Regina, the NAC will work together to establish a consistent message and continue to be a conduit of information for all alumni in their jurisdictions. They will also be discussing how to engage youth in skilled trade and technology competitions in their respective provinces and territories.

Check out the NAC by following Skills/Compétences Canada's social media on X, Instagram, and/or Facebook. Hear their success stories, see their events, and learn about the rewarding careers that exist in the skilled trades and technologies! NAC is looking forward to seeing all the skilled talent at this year's SCNC! Look for the NAC onsite, they will be wearing teal green shirts.

This year, NAC is sponsored by the Schulich School of Business.

THE IMPACT OF THE SKILLS CANADA NATIONAL COMPETITION

More than 8 in 10 competitors agree that SCNC has improved their adaptability skills (86%) and problem-solving skills (84%).

Building Tomorrow's Workforce: The Skills for Success Youth Assembly Leads the Way!

Held in conjunction with the Skills Canada National Competition (SCNC) 2025, in Regina, the Skills for Success Youth Assembly (SFSYA) provides an opportunity for young adults, aged 18-22, to discuss Skills/Compétences Canada's (SCC) activities and initiatives. The goal of the SFSYA is to gather feedback from young Canadians on how to improve SCC's messaging, while discussing important industry issues that directly affect them as they enter the workforce.

SFSYA will also join the Soaring Skills students from Nunavut and from the Saskatchewan community on day one of the competition for an exciting Treasure Hunt.

The theme for the 2025 SFSYA will be: *Writing*. This theme will be integrated into their onsite activities. Look for the SFSYA onsite, they will be wearing charcoal grey shirts.

ABOUT THE 48th WORLDSKILLS COMPETITION, IN SHANGHAI, CHINA

September 22 to 27, 2026, at the National Exhibition and Convention Center (NECC) in Shanghai

WHAT IS IT?

The WorldSkills Competition is the largest and most influential skills competition in the world. It represents the best of international excellence in skilled trades and technologies. Every two years, young competitors from around the globe gather at the WorldSkills Competition, with the goal of earning the title of world champion in their Skill Area. These competitors represent the best of their peers and have earned a spot on their country's team through dedication and hard work. At the WorldSkills Competition, competitors will participate in simulated real work challenges, and will be judged against international quality standards.

WHY IS IT HAPPENING?

The WorldSkills Competition inspires youth to discover the many careers that are available in the skilled trade and technology sectors. With an increasing demand for skilled workers, the trade and technology sectors represent a lucrative and exciting career path for youth around the world. Throughout the Competition, stakeholders from industry, government, and education are provided with the opportunity to exchange information and best practices regarding industry and professional education at networking events and thought-provoking conferences.

ABOUT WORLDSKILLS SHANGHAI 2026

Approximately 1,500 competitors from over 70 Member countries and regions compete in front of an incredible 250,000 visitors, in 62 Skill Areas representing these six sectors: Manufacturing and Engineering Technology, Information and Communication Technology, Construction and Building Technology, Transportation and Logistics, Creative Arts and Fashion and Social and Personal Services.

The event slogan for WorldSkills Shanghai 2026 is: Master Skills, Change Your Future. #WSTC2026

A few fun facts about this city:

- Toronto isn't just the capital of Ontario it's also Canada's largest city and ranks as the fourth biggest city in North America, trailing only behind Mexico City, New York, and Los Angeles. The Greater Toronto Area is home to nearly 6.5 million people and is one of the fastest-growing urban hubs on the continent!
- With over 10 million trees, this city enjoys more than 25% forest coverage, and 18% of its land is dedicated to parks.
- The CN Tower dominates the skyline and is still the tallest free-standing structure in the Western Hemisphere.
 It's Toronto's crown jewel and a must-see landmark!
- Toronto has a team in every major league including the Maple Leafs (NHL), the Raptors (AHL), the Blue Jays (MLB), the Marlies (AHL), the Rock (Lacrosse), Toronto FC (MLS), the Wolfpack (Rugby) and more. The Maple Leafs are one of the most valuable sports franchises in North America.
- The Toronto Zoo is Canada's largest and one of the biggest in the world, with over 5,000 animals from 500+ species across a massive 710-acre park.

- Yonge Street is legendary stretching nearly 2,000 km, it's one of the longest streets in the world.
- Toronto is one of the most multicultural cities on Earth, with residents from over 200 ethnic backgrounds.
- The Rogers Centre was the first stadium in the world with a fully retractable roof! There's also a 70-room hotel inside, and it holds up to 50,000 fans.
- The PATH is the biggest underground shopping complex in the world, its tunnels and walkways connect 70 buildings in downtown Toronto. There are over 1200 retail stores in the PATH and over 30 kilometers of underground space.
- The Toronto International Film Festival (TIFF) is one of the most-attended film festivals on the planet, drawing in nearly 500,000 people every year.

We could not hold an event of this magnitude without the support of our partners and stakeholders, including our Funding Partner the Government of Canada and many others. To see our list of partners, check out our website at: www.skillscompetencescanada.com/en/skills-canada-partners/.

To discuss a sponsorship opportunity that best suits your organization, contact: Patrick LeClair, Director, Business Development, at 902-314-2180 or patrickl@skillscanada.com.

Stay tuned on SCC's social media channels and website to stay up to date with SCNC Toronto 2026! #SCNC2026

A HEARTFELT THANK YOU TO OUR INCREDIBLE VOLUNTEERS!

Skills/Compétences Canada (SCC) is very grateful for the hundreds of passionate volunteers who make the Skills Canada National Competition (SCNC) possible year after year. From the onsite volunteers who ensure the event runs seamlessly to our alumni who inspire participants by sharing their journeys, each of you plays an essential role. A special shout-out to the National Technical Committee, tirelessly working behind the scenes all year to craft challenging contests, and to our dedicated judges who evaluate each project with precision and care. Your energy and dedication make it all possible. Your commitment and passion allow us to host an event that impacts thousands of young Canadians, opening their eyes to the exciting careers that exist in the skilled trades and technologies. You're not just volunteering; you're shaping futures and proving how #SkillsChangeLives. We couldn't do it without you—thank you!

OUR SUPPORTERS MAKE IT POSSIBLE: THANK YOU TO OUR SPONSORS AND SUPPLIERS!

Skills/Compétences Canada (SCC) proudly recognizes the invaluable contributions of our sponsors and suppliers. Your dedication, expertise, and generous support make the Skills Canada National Competition (SCNC) a truly impactful event year after year. Through your monetary and material contributions, as well as the knowledge you share, SCC can welcome thousands of students from coast to coast and spark their curiosity about the incredible careers available in the skilled trades and technologies. Your support empowers us to inspire the next generation of skilled professionals and introduce youth to the amazing opportunities these fields offer. We couldn't achieve this without you. Together, we are #CreatingPossibilities for Canadian youth and building a stronger, more innovative global economy. Thank you for making SCNC a success!
