1 THE SKILLS FOR SUCCESS FOR CAREERS IN THE SKILLED TRADES AND TECHNOLOGY

The Government of Canada has updated the previous Essential Skills framework to the new Skills for Success model in response to the evolving labour market and changing skill requirements. This model outlines nine fundamental skills Canadians need to thrive in work, education, training, and daily life.

Skills/Compétences Canada aims to highlight the importance of these skills, vital for success in trade and technology careers. Competitors can see how Skills for Success are integrated into contest descriptions, projects, and project documents. Recognizing these skills during the competition helps competitors match tasks with specific skills necessary for success and understand how these skills apply within their trade or technology programs and future careers.

The nine key Skills for Success, validated for workplace success, are:

1. Numeracy
2. Communication
3. Collaboration
4. Adaptability
5. Reading
6. Writing
7. Problem Solving
8. Creativity and Innovation
9. Digital

These Skills for Success are detailed in sections 2.3 and/or 3.2 (to be completed by SCC) of your Contest Description and, if relevant, in your Project and supporting documents.

2 CONTEST INTRODUCTION

2.1 Description of the associated work role(s) or occupation(s)

https://www.skillscompetencescanada.com/en/skill_area/fashion-technology/

2.2 Purpose of the Challenge

Assess the contestant's ability in critical thinking, creative design, pattern making, and sewing construction in the field of apparel design.

2.3 Duration of contest

12 hours

2.4 Skills and Knowledge to be tested.

The contest will focus on practical work. Theoretical knowledge is limited to what is necessary to carry out the practical work. Candidates will complete an oversized unisex

coat for Fall/Winter with a two-piece collar, French buttonhole, vent or slit, pocket and full sleeve (Type of sleeve to be determined - options are raglan, set-in, drop shoulder). See project description for full details.

3 CONTEST DESCRIPTION

3.1 List of documents produced and timeline for when competitors have access to the documents on the Skills/Compétences Canada website.

DOCUMENT	DATE OF DISTRIBUTION
Project	December 2024
Watermark Croquis	December 2024
PDF of coat block in ¼ scale (approx.)	February 2025
Images of fabric and notions	February 2025
Pictures of the basic block in fabric	February 2025
Fabric and lining swatches and coat block are available through Provincial or Territorial Skills offices	February 2025
Examples of pocket and vent/slit options (basic version)	February 2025
Evaluation Breakdown	March 2025

3.2 Tasks that may be performed during the contest.

- Competitors will be creating an oversized unisex coat (Fall/Winter) with fashion illustration, technical drawing, and pattern.^{6,8}
- At the beginning of day one of the competition, **a pocket style and size, and a vent/slit and size will be drawn**. Competitors must respect the draw. Full details in the Project document.⁶
- Updated technical drawing must be submitted one hour after the beginning of the competition on Day 1. Technical drawings must be completed by hand.⁶
- Candidates will create their pattern from the coat block provided.⁸
- Industry sewing standards for garment construction to be maintained as equipment allows.⁷

As part of the evaluation, the following aspects will be considered:

- The degree of difficulty and skill level of the pattern development as it affects the construction of the coat^{7,8}
- The quality of the coat construction
- The fit and wearability of the coat¹
- The overall appearance of the garment and conformity of the design to the technical drawing⁵

Skills for Success – ¹Numeracy, ⁵Reading, ⁶Writing, ⁷Problem Solving, ⁸Creativity & Innovation

4 EQUIPMENT, MATERIAL, CLOTHING

4.1 Equipment and material provided by Skills/Compétences Canada

- Fabric and accessory kits
- Lining
- Interfacing
- Pattern paper
- Covered Buttons (final dimensions announced February 2025)
- Shoulder Pads and Sleeve Head (depending on sleeve selection – announced February 2025)
- Thread
- Block for coat with sleeves and collar.
- Dress form
- Domestic ironing board
- 8-foot-tall pole for hanging semi-industrial gravity feed irons
- Semi-industrial sewing machine with needles, regular sewing foot, zipper foot kit
- Optional - ear plugs

COMPETITORS WILL BE REQUIRED TO USE THE MATERIAL AND EQUIPMENT PROVIDED BY SCC. ALL OTHER MATERIAL AND EQUIPMENT WILL BE REMOVED FROM THE SKILL AREA.

4.2 Equipment and material provided by the competitor.

- Pattern drafting tools
- Sewing construction tools
- Cutting tools – rotary cutters and mats are permitted with safety equipment approved by the technical committee safety representative.
- Pressing tools i.e., ham, sleeve board, press cloth, seam roll, etc.
- Iron – recommend a semi-industrial gravity feed including iron rest
- The following items are not permitted: books, written notes, diagrams, directions, listening devices, paper, scrap fabric, embellishing materials, sewing machine attachments, and electronic devices including smart watches.

Points will be lost if candidates do not bring the following to orientation:

- Their (as per test project document) fashion illustration of the national project
- Their technical drawings on provided watermark for the national project (see Skills Canada website)

4.2.1 Toolboxes Guidelines

One of the objectives of SCC is the sustainability of the Competition. As a result, the toolboxes brought by Competitors will be restricted to the following maximum specifications.

The Competitor toolbox must not exceed 0.08 meters³ in volume. [Click here for Info on are to calculate volume in m3](#)

(The formula is: Length (in meter) X Width (in meter) X Height (in meter)).

It can be multiple toolboxes, but the total of all toolboxes must not exceed the maximum volume indicated. There is no exception to this rule. If the Competitor toolbox is larger than what is indicated, the Competitor with the guidance of the NTC, will need to remove items from the toolbox and those items will not be used during the competition. All tools must fit inside one or more toolboxes. Tools outside of a toolbox will not be permitted.

4.3 Required clothing provided by the competitor.

- Flat soft sole closed shoes – sneakers are acceptable
- Clothing bottoms must be below the knee
- Long hair must be tied back
- Dangling jewelry not permitted
- Long flowing sleeves are not permitted

5 HEALTH AND SAFETY

5.1 Safety program

SCC has implemented a comprehensive safety program as health and safety is an integral part of our competitions. Our safety program includes guidelines and procedures to make the work environment in each skill area safer.

5.1.1 Safety manual

As part of our program a safety manual has been created to monitor and document health and safety within each skill area. It includes a definite plan of action designed to prevent accidents. The safety manual will be provided for every skill and these instructions must be followed and respected by all participants and officials at the SCNC.

5.1.2 Safety workshop

During orientation, Competitors will participate in a Safety workshop and they will be expected to work and maintain a safe working area during the competition. Any Competitor breaking any health, safety, and environmental rules, may be required to undertake a second safety workshop, this will not affect the Competitor's competition time.

5.2 List of required personal protective equipment (PPE) provided by Skills/Compétences Canada

- Ear plugs (optional)

Judges will note safe work procedures relevant to garment production i.e., keeping workspace clear of obstacles, powering off machines when not in use, adherence to clothing requirements, etc.

5.3 List of required personal protective equipment (PPE) provided by the competitor.

- Protective glove if using rotary cutter.

Note: Competitors who do not have the required protective equipment will not be allowed to participate in the competition

6 ASSESSMENT

6.1 Point breakdown

Note: This list is subject to change.

TASKS	/100
Final Fit and Appearance	7
Creativity and Suitability of Design (this includes fashion illustration and technical drawings)	10
Sewing of seams, darts, and hem	8
2 pieces Collar and Lapel	12
Sleeves	12
French Buttonhole & Button Closure	12
Surprise Design Element (Pockets) as per ballot draw	12
Surprise Design Element (Vent/Slit) as per ballot draw	12
Design Details 1 & 2	14
Professional Practice (Safety)	1

7 CONTEST SPECIFIC RULES

Contest specific rules cannot contradict or take priority over the Competition Rules. They do provide specific details and clarity in areas that may vary from contest to contest. Any additional contest rules will be reviewed during the competitor orientation.

TOPIC/TASK	CONTEST SPECIFIC RULE
Technology Use	No phones, smart watches, laptops, etc.
Fashion Drawings	Technical drawing and Fashion Illustration must be submitted during orientation.
Tools and Equipment	Personalized tools need to be approved in advance. For approval, contact your provincial representative no later than 2 weeks prior to the competition date.

8 ADDITIONAL INFORMATION

8.1 Interpreter

If a competitor requires the help of an interpreter once onsite during the competition, the Skills/Compétences Canada Provincial/Territorial offices must advise Skills/Compétences Canada National Secretariat a minimum of 1 month prior to the competition or this service may not be guaranteed.

- Tiebreaker #1: In the event of a tie, the competitor with the highest combined score for the “Collar” and “Sleeve” criteria will be declared the winner.
- Tiebreaker #2: If a tie still remains, the competitor with the highest score in the “Vent/Slit” criteria will be declared the winner.
- Tiebreaker #3: If a third tie occur, the competitor with the highest combined score in the “Design Detail #1” and “Design Detail #2” criteria will be declared the winner.

8.3 Test Project change at the Competition

Where the Test Project has been circulated to Competitors in advance, NTC shall change a maximum of 30% of the work content. Please refer to the Competition Rules.

8.4 Competition rules

Refer to the competition rules of the Skills Canada National Competition which can be found on our website.

9 NATIONAL TECHNICAL COMMITTEE MEMBERS

MEMBER ORGANIZATION	NAME
New Brunswick (replacement)	Tegan Taylor
Quebec	Jozée Dulude – Chair
Ontario	Enrico Sartor-Séguin – Co-Chair
Saskatchewan	Marni Gutscher
Alberta	Courtney Proctor
British Columbia	Nina Ho
Manitoba	Crystal Bodfish

Contact the Skills/Compétences Canada national secretariat for any questions or concerns: Nathalie Maisonneuve (nathaliem@skillscanada.com).
