

PROJECT DAY ONE
Video Production
SECONDARY

Day One Project

Video Production

Secondary

Choose a genre from the list provided in Section 3.3 of the Contest Description and create a 60 to 90 second video on the topic listed below:

A system at the National Skills Canada Competition here in Toronto has been infiltrated by AI.

Target audience: General Public

Genre: To be decided by competitors from section 3.3 of the Contest Description.

Length: 1:00 – 1:30 minutes

Will lose 5 marks if not within this time range.

*Anything under **:56** and over **1:34** will not be judged.*

File naming: ProvinceVideo1

Example: ONVideo1

File format: 1920 x 1080 / H.264 Compression

The completed video and the production brief must be on your supplied USB stick using the specifications provided and handed in to a member of the NTC by 4:30 pm (for Day 1) or it will not be marked.
