

Sustainable Ground Crew Support

The City of Toronto is seeking students for work during the summer months with our ground crews at municipal golf courses. Training in safe groundskeeping and landscaping work practices, and the use of a variety of small power equipment will be provided. Full-time and part-time hours are available with a variety of shifts, most starting before the golfers arrive early morning, leaving you free to enjoy the summer afternoons. Some shifts on weekends, evenings and holidays may be required.

Role Overview

You will work as part of a ground crew team for much of the day, with some independent assignments from time to time. You will perform a variety of tasks related to the maintenance of the golf course and grounds, including planting, weeding, mowing, edging, trimming, and aerating. Operation of small power equipment along with routine maintenance of the equipment will also be required. Commitment to supporting the sustainability of protected land within the golf courses is essential.

We require the following:

- **Self-motivated:** you take initiative to do assigned work without close supervision.
- **Team Contributor:** you work co-operatively with others to complete tasks.
- **Customer Focus:** you recognize the impact of your work on our visitors' experience.
- **Communication:** you understand and convey information well verbally and in writing.
- **Positive Attitude:** you have a positive attitude in your work.
- **Education/Experience:** you have an interest in horticulture, landscaping, or groundskeeping and previous experience using related power equipment would be an asset but not required.
- **Licenses/Certification:** WHMIS and job specific safety training will be provided.

A competitive wage is provided. Full or part-time hours are available from late June to late August. With strong performance, there may be opportunity for employment in future years.
