

IT'S NATIONAL SKILLED TRADE AND TECHNOLOGY WEEK (NSTTW)!

From **November 1 to 7th** activities highlighting skilled trades and technologies are being held across Canada to promote awareness of these great careers!

On Thursday, November 5th, join us at Southern Alberta Institute of Technology (SAIT), Aldred Centre 1301 16 Avenue NW, Calgary, Alberta

- Participate in interactive Try-A-Trade® and Technology activities!
- Discover a career in the skilled trades and technologies!
- Learn about the 9+1 Skills for Success!

Sign up for a morning or afternoon visit!
