1. INTRODUCTION

1.1 Purpose of the Challenge.

The principal function of an aesthetician is to give beauty care to persons with the main purpose of improving their appearance as well as giving the people a physical and psychological well being. By general means, the essential part of this work is to treat different parts of the body including specific care to facial skin, specific care for the hands, specific care of the body, and the application of makeup, while demonstrating professionalism and sanitation, which includes organized daily cleaning and tiding of apparatus and equipment.

1.2 Duration of contest.

12 hours

1.3 Skills and Knowledge to be tested.

- **Advanced Facial with arm massage**
The competitor will demonstrate a specific care facial using Sponsor's products and machines, and apply arm manipulations after the application of a specialty mask.
- **Basic manicure with nail art**
The competitor will demonstrate a basic manicure using Sponsor's products and will duplicate the nail art posted in the project.
- **Specific Care Body Treatment.** The competitor will demonstrate knowledge and understanding of the application of a body scrub, wrap, and massage techniques and products.
- **Bridal/Fantasy make – up**
The competitor will duplicate the fantasy make-up design.

2.2 Tasks that may be performed during the contest

- **Manicure with Nail Art**
 - Objectives: perform a basic manicure which includes examination of hands and fingernails, cuticle work, arm and hand massage, application of base coat, free hand French polish followed by the application of the posted nail art (website) to be applied to all ten fingers and finished with a top coat application (no quick dry top coat allowed). No colour bleeding and no corrections to the smile line during application or to the cuticle area. Clean and tidy work station. Note: Nail art must be free hand using **only** the nail art brushes and dotter supplied by the Sponsor. Decals polish with built in striper brush, corrector pens, guideline tape, or any other tool will not be allowed. Nail art brushes may not be adjusted in any way.
- **Specific Care Body Treatment**
 - Objectives: To perform a body treatment which includes application and removal of a body scrub, application and removal of a body wrap, and full body massage using the five classic massage manipulations.
- **Bridal/Fantasy Make Up**
 - Objectives: duplicate, during the competition, the makeup look as posted (website). Marks are for precision of application. The makeup should be applied as an exact duplicate according to the picture provided. Artificial lashes must be applied to complete the look before the fantasy aspect is started. After the first judging, competitors will then continue with the duplication of the fantasy aspect as posted on the website. A bridal head piece or hair accessory (provided by competitor) should be applied to finish the look, but no marks are awarded for the hair/head accessories.
- **Advanced Facial with Electrotherapy**
 - Objectives: Perform an advanced facial treatment using electrotherapy that meets the needs of the client's skin. The skin must be analyzed, findings recorded on the provided technical chart and the facial must be based on that analysis. The application of arm massage must be applied during the timing of the contour mask.

Note: It is the candidates responsibility to prepare for the competition by becoming familiar with the products and machines (refer to attached list) to be used during the competition.
