

# BUILT TO BUILD

Jobsite Tested.  
Contractor Approved.

Introducing the DEWALT 12" Double Bevel Sliding Compound Mitre Saw, precise enough for fine woodworking and tough enough for framing and deck building. Cabinetmakers, trim carpenters, framers, installers and professional contractors will love how this saw zeros in on their needs. The DWS780 steers clear of trendy bells and whistles in favour of the accuracy, capacity, durability and portability professionals demand for day-in, day-out jobsite use. Simply State of the Art.

## INTEGRATED XPS™ CROSS CUT POSITIONING SYSTEM

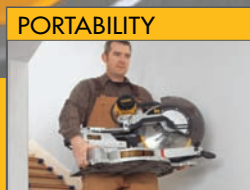

**ACCURACY**  
XPS™ Cross Cut Positioning System  
Make accurate cuts without needing to check alignment of a laser

**CAPACITY**  
Tall sliding fences support Crown Molding up to 7-1/2" nested

**VERSATILITY**  
Exclusive Back Fence Design cuts up to 2x16 dimensional lumber at 90° and 2x12 at 45°

**PORTABILITY**  
Compact, lightweight design (56 lbs.) allows for easy transport and storage

**DUST COLLECTION**  
Super efficient dust collection system captures over 75% of dust generated
